Parallel Structure

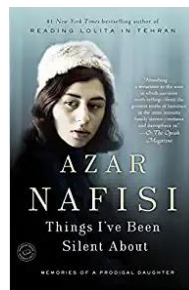

“at once”

“at once”

“It took some time to accept the fact that my father’s family had its own secrets and untruths. They were **at once** intellectually adventurous and extremely puritanical.”

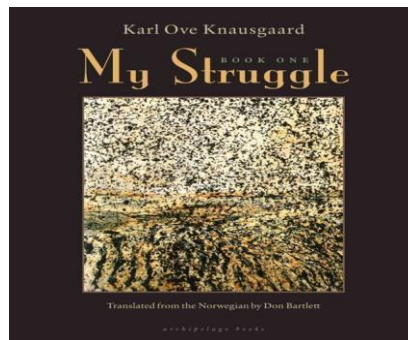

“at once”

“It took some time to accept the fact that my father’s family had its own secrets and untruths. They were **at once** **intellectually** (adverb) **adventurous** (adjective) and **extremely** (adverb) **puritanical** (adjective).”

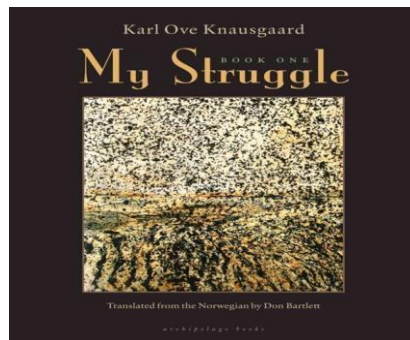

“at once”

“It’s 3,600-some pages, **at once** weirdly self-deprecating and breathtakingly egoistic, began to appear in English, at the rate of a volume a year, in 2012, culminating this fall with the translation of Book Six.”

“at once”

“It’s 3,600-some pages, **at once** **weirdly** (adverb) **self-deprecating** (adjective) and **breathtakingly** (adverb) **egoistic** (adjective), began to appear in English, at the rate of a volume a year, in 2012, culminating this fall with the translation of Book Six.”
